Swimmers who withdraw for any reason are not guaranteed spots upon their return and they may have to be put on a wait list if their group fills up while gone.

MTS REGISTRATION FEE SCHEDULE & OVERVIEW

REGISTRATION FEE: Annual Registration Fee billed PER SWIMMER.

TEAM SUPPORT FEE: Annual Team Support Fee billed PER FAMILY. Team Support fee remains due if a swimmer withdraws prior to paying in full. Members may also be asked to participate in fundraising campaigns, such as Swim-A-Thon, and are expected to volunteer at team hosted meet and events. MTS may establish minimum commitment levels for fundraising events and assess members that opt not to participate or to volunteer for team activities.

MONTHLY DUES: Monthly are based on assigned training group and charged on the first of each month. Monthly dues reserve a participation spot in your assigned training group and are not a guarantee of minimum practice offerings. Lack of participation and/or training options during maintenance and other unanticipated pool closures will not result in a credit of monthly dues. Swimmers are charged the first full month when registering. If joining after the 15th of the month the second month will be pro-rated accordingly.

MEET FEES: Swim meet fees are in addition to the monthly dues and vary per meet. Fees due for meets are calculated as follows per participant: MTS meet fee of \$15 plus all entry fees designated by the meet host and/or LSC. Meet fees are non-refundable after MTS sign-up deadline regardless of participation and are billed prior to meet start date. For all swim meets, MTS coaches decide what events a swimmer will swim and how many. See [About Meets](#) for more info.
